Road Conditions Report

Gold Butte National Monument

Gold Butte National Monument Road Report

Tuesday, May 23, 2023

Road conditions are subject to change due to flooding and other natural and unnatural factors.

Contact the Las Vegas Field Office for additional information at (702) 515-5056.

Check local weather forecasts before visiting the Monument.

Limit your exposure to heat when 90° (32°C) or hotter. Day time temperatures are expected to regularly exceed 105° until late September. Please use extreme caution while traveling within the Monument during the summer months.

Road Name	Date	Condition	Comments
Gold Butte Road (Paved)	5/9/2023	Deteriorated. First 4-5 miles has sand/silt/gravel washed over road. Sections of deep sand over road. May require 4WD High Clearance.	Clark County, Dept of Public Works conducting work to restore access.
